Business

1. **Revision to the 25-26 TCD Fiscal Budget:** As the Trustees had approved a preliminary budget for 2025-26, they knew that the correct roll over amount would be addressed in September or October of 2025. SLO County provided the Trustees the correct roll over funding amount to be \$38,653.99 in addition to the previously approved roll over of \$8,000.00. As the landscape project was \$27,850.00, this expenditure was debited from the maintenance account until such time that the County would provide us the final roll over amount. The Trustees requested that \$28,000.00 be reimbursed to the Maintenance Account and the remainder of \$10,653.99 be allocated to the Capital Outlay account to cover the pending projects. Rillo made a motion to allocate \$28,000.00 to the Maintenance Account and allocate the remaining \$10,653.99 to Capital Outlay. The motion was seconded by Castellanos. Ayes: Rill and Castellanos. Noes; None. Absent: Dusi.
